June 8, 2020

Theratechnologies was a proud sponsor of this year's virtual NY AIDS WALK 2020 that went live on Sunday, June 7th at 10:00 AM EST!

AIDS Walk New York is the largest single-day AIDS fundraising event in the world. In its 34 years, AIDS Walk New York has inspired nearly 890,000 people to walk and millions more to donate, raising nearly \$155 million to combat HIV and AIDS.

The funds raised at the event remain a vital lifeline sustaining the prevention, care, and advocacy programs. Gay Men's Health Council provides for the thousands of individuals and families affected by the disease in the tri-state area. The proceeds also benefit several HIV/AIDS service organizations that are able to participate as teams and raise funds through the Community Partnership Program (CPP).
